Cider and Donut Walk

Sunday, November 4

Leader: Dave Griffin, OAR Board member

1:00 - 5:00 p.m.

We will meet at Ice House Landing in Maynard and walk to Honey Pot Hill Orchard in Stow where we will stop for cider and donuts before heading back. This is a nice flat walk but it is about 6 miles round trip so we recommend it for sturdy walkers age 10 and above.

Details for all events are on our website. Registration is appreciated.

The paddle and walks are weather dependent — call the OAR office at 978-546-2425 to confirm if the weather is iffy!
